

Burley Rechargeable Floor Base

110460

110460

Not tied down with the need for a power cable, this fully portable, battery operated, rechargeable 3 stage touch dimmer floor light enables you to select your own level of light. Classic in style and finished in aged brass making it easy to place around your home. Turns on for low light then touch controlled to increase light level to medium then bright, making it the perfect bedroom addition. Taking just 5.5 hours to fully charge and giving up to 36 hours of continuous light.

Be creative! Place anywhere where other lights cannot reach, a totally versatile addition to your home.

Pair with one of our 25cm or 30cm decorative shades for the perfect timeless style.
